Dear Mr Jean du Plessis

### DECRIMINALIZATION OF SEXWORK

On 28 and 29 October, the Ministry will be hosting a two-day workshop on Decriminalization of Sexwork to consolidate the consultative process on policy with the view to develop a regulatory framework.

On behalf of the MEC for Public Safety and Security, I request you to deliver a keynote paper (30 minutes) on the first day of the workshop. The theme of your paper is "Emerging Global Trends on Sexwork".

Yours sincerely
